HEADTEACHER MESSAGE

Dear Parent,

We have had a fantastic start to this half – term and this week has been especially jam packed! On Wednesday we celebrated World Maths day, the children had the opportunity to complete additional enrichment activities on Google Classrooms and in school. Pupils also had the opportunity to take part in the 'Sumdog' Maths competition, if you have not signed up yet – there is still time as the competition runs until the 11th March please go to www.sumdog.com

A special well done to the pupils who took part in a 'Maths Masterclass' this week as part of our partnership work with the Brixton Learning Collaborative. We are so proud of our mathematicians!

Then of course there was World Book Day...or should I say World Book Week! We enjoyed our annual 'book hunt' and additional fun reading activities in class. We even took part in a live assembly with celebrity children's author David Walliams! It was terrific to see so many of you in school and home learning dressed as your favourite book characters, as always – our adults joined in too!

As we look forward to the school fully re- opening on Monday 8th March, I wanted to take this opportunity to thank you for your tremendous efforts home schooling, we really appreciate it. We can't wait to have everyone altogether again! Please note, we will be holding virtual parent consultations on **Monday 29th March from 3:50pm – 6:30pm** and **Tuesday 30th March 3:50pm – 5:30pm**. We will be asking all parents to book appointments using the Parent Mail app or website from week beginning 15th March, more details to follow.

We look forward to see you all on Monday 8th March!

Have a lovely weekend,

Mrs. McPhee

Breakfast Club, Afterschool Club & Dinner Money

Please may we kindly remind you that your child's dinner money account must be in credit every Monday in order to cover them for the whole week.

Breakfast and Afterschool club will resume on Wednesday 10th March. We have limited spaces available each day so please remember to book and pay in advance. If you would like to newly register you child, then please collect and fill out a registration form from the school office.

World Book Day

World Book Day 2021 was a great success. It was wonderful seeing our children dressed up in their costumes and expressing their love for books. Throughout the week the children enjoyed joining in with Live sessions with various authors learning how to create fantasy worlds and write for different purposes.

Take a look at some of our wonderful pictures.
